P.S. I Love You

P.S. I Love You

That time
WHAT? THERE'S A PAPER CLIPPED THERE?
THROW IT AWAY, OKAY?
From each of my fingertips
To my beloved Suzuko,
I found your favourite book
Please see it if you have the time
If you would remember me, just a little bit, that time
I'll be so happy.
Because I still haven't given up.
I have changed my cellphone.
I'll be waiting for your mail.

"from Himura Tsubaki."

ARISU, HAVE YOU GOTTEN USED TO YOUR PART-TIME JOB?
YEAH, IT'S BEEN 2 MONTHS AFTER ALL.
Hmm
WHAT DO YOU DO?
IT'S AN OLD BOOK-STORE RIGHT?
I see
AWW, REALLY?
TSUBAKI, YOU SAY THE SAME THING TO EVERYONE, RIGHT?
SERIOUSLY.
HEY,

COULD IT BE THAT SHE HATES ME THE MOST?
It's not like that.
You're wrong.
Sigh
I stabbed him...
I'm curious, stupid.

For him to be able to write such an earnest letter
I could just hate Tsubaki like usual
If only I don't find this letter
Actually, I really can't believe it.
Ahh.
From Himura Tsubaki
But Tsubaki definitely doesn't know that the letter was thrown away.
He's waiting without knowing it

See.
1-5
He's waiting.

I wonder what kind of person is this Suzuko who has rejected Tsubaki
Hmm
If he finds out the truth,
He'll surely play around with women even more than now.

There are some people who
have no confidence in love.
But, it's too bad to just waste
away an encounter by yourself.

We don't need any theory
for loving someone——
We don't need any preparation
for loving someone——
We don't need any right
for loving someone——

Love always comes suddenly.
Just as your heart likes it——
Honestly and straightly——
Having the courage to accept it——

If you try to take
one step forward,
whoever can love others.

Love is not something
to be taught.
You should just move
the way you heart wants
